Mr. G. Narayana Aiyar: Sir, with regard to this question I wish to make a statement. My idea in tabling this interpellation is to bring to the notice of Government that in the order revising the salaries there is a statement that only after 10 per cent of the existing staff is reduced the increased rates of salary will be given. There is very great difficulty in decreasing the number of copyists. That question may be seriously considered in this connection.

Mr. K. G. Kunjukrishna Pillai: The matter will be brought to the attention of the honourable High Court.
